After receiving the notice of cancellation of lease agreement from a tenant of the Property, through interview conducted with existing tenants of the Property, API grasped the needs of Swing Corporation to extend rent area. And after several consultations, we consented to the increase in leased area with the above tenant.

API judges that the above tenant satisfies the criteria for the selection of tenants stated in the “Report on the Management Structure and System of the Issuer of Real Estate Investment Trust Units and Related Parties” submitted by TLC REIT Management Inc.
